

# MULTIMODAL 2011

THE UK AND IRELAND'S LEADING TRANSPORT AND LOGISTICS EVENT

NEC BIRMINGHAM • 5-7 APRIL 2011

## Increase your supply chain efficiencies, reduce your costs and protect your margins – visit Multimodal 2011

Multimodal is the UK and Ireland's only event helping you to maximise the efficiencies of your freight transport, logistics, and supply chain management procedures.

Now in its fourth year, Multimodal is the premier meeting place where shippers gather annually to compare suppliers, modes, routes and transport solutions.

Whether you're exporting or importing large quantities or simply moving small quantities around the UK on an infrequent basis Multimodal will deliver results tailored to your company's specific transportation and logistical needs!

You can also benefit from attending the free to attend seminars, case studies and briefings featuring over 35 leading industry experts.

With over 4,000 decision makers due to attend Multimodal 2011 ensure your participation by registering for your free visitor pass today.

### How you will Benefit:

- Reduce your costs and improve your efficiencies by comparing suppliers, modes and routes
- Join over 4000 attendees and build constructive and profitable relationships through meeting face to face with your suppliers and shipper colleagues and visiting over 175 show exhibitors
- Multimodal provides visitors with a host of networking opportunities – your chance to meet with all the key industry players in the freight transport & logistics and supply chain fields.
